We did lots of activities including tree bingo, tree hugging and learnt all about the things that plants and trees need to grow and thrive, such as water, air and sunshine. We will be sharing more about what we learnt in our Class assembly on Tuesday 5th May..

CBS Raising Money for Adoption Focus

Last Friday, we had a fantastic time running laps of the field to help motivate us (Mr Byrne and Mr Heath) for our upcoming Marathan, and to raise money for the charity Adoption Focus. The Sports Leaders, with help from Toby and Ruby from Year 4, worked hard all morning making sure the event ran smoothly.

During the afternoon, the CBS netball team (the Minions) played a match against the all-star staff team; it was a tightly contested game, with experience (and height) proving to be the difference between the two teams. Well done to the staff on a fantastic victory! Special thanks to Mrs Jones for playing for the staff team; we didn't know that you were such a great netball player before asking you to play… honest! So fully motivated by the sport endeavours of the CBS children (and adults), Mr Heath and I took on the challenge of the Manchester Marathon on Sunday. It was a gloriously sunny day, with no rain, which was a surprise for Manchester! We both loved it, we were nervous going into it as we hadn't run a marathon before, but it was an amazing experience. Well done to Mr Heath who finished just over 30 minutes in front of me; I only let him finish ahead of me so that he had two double cheeseburgers waiting for me when I crossed the finish line!
Thank you all for your generous sponsorship, it has been so humbling. The total currently stands at just over £3000, which makes us just as proud as we are for finishing the actual marathon.

Here are some pictures from our day; thank you so much CBS for all of your support, you have been fantastic!

CBS Annual Parent Survey

Each year we seek feedback from our parent body. We value your thoughts and would appreciate you taking the time to complete our survey.
The survey can be accessed here Chesham Bois CE School Parent Survey April 2026 – Fill in form or via the QR code below.
The survey will close on Thursday 30th April and a summary of results will be available for parents to view on our website later in the term.
In previous years, suggestions from parents have helped inform our school development plan so please do share your thoughts with us.

Thank you in advance.

Chiltern League Rugby Final

Yesterday, the CBS Tag Rugby Team took part in the Chilterns League Finals Afternoon at Amersham and Chiltern Rugby Club. Going into the finals, the team were undefeated, having won all three of their games before February half term.
The competition on the day was tough, but we managed to beat Ivingswood, Brushwood, Waterside and Chartridge and drew against defending champions Hawridge and Cholesbury. This meant that we were top of the league and were to play in the final against Chartridge. It was an end to end final with both teams playing some fantastic rugby. CBS managed to get some crucial turnovers and get into a lead halfway through the first half, which we kept hold of relatively comfortably until the end of the game.
I am so proud of the team, they were all so amazing! Captains Daniel Mc and Theo, Frankie, Isabel, William, Anika, Jude, James, Dylan, George and Gavin you were all fantastic. A special congratulations to Gavin for being voted 'Players' Player' of the season by his fellow teammates, he was awesome.
I would like to say a very special thank you to all of supporters (including Mr Bob), you were amazing too.

Mr Byrne

Heavenly Father,

We have been thinking about things that have happened in our local area and have watched Newsround to learn about other news from around the world. When we hear things on the news that make us feel worried or confused, please help us feel calm and hopeful.
We pray for people around the world this week who are affected by fighting and war, especially those in the middle East. We ask you to help World Leaders reach an agreement so that: People can see their families in different countries, we can freely visit other countries and that the Strait of Hormuz is opened again so that global markets are stable.
We pray for Japan and we hope that they recover from their earthquake. We hope that anyone who is travelling to Japan is safe.
In local news, we heard about problems with the water, we wish for a swift resolution as everyone should be entitled to clean drinking water. We saw that UK Tulip farms are open to visitors, thank you Lord for nature and the flowers.
On St George's Day, thank you for reminding us to be brave and stand up for what is right, even in small ways at school and at home.
Please help us to be good helpers and to show love to others every day.

Amen. Year 6

A very Happy Birthday to those who celebrate their birthday this week:

Tippi C

Happy Birthday from all at CBS!
