Year 2 Class Assembly

On Thursday, Year 2 shared their class assembly about everything they have been learning across the curriculum this term. They shared some tricky maths vocabulary to help them calculate fractions, performed and read out stories they had learnt and written in English, explained some of the science experiments they have completed and acted out some interesting facts about the Great Fire of London. They also shared some pictures from their local area walk, things they had found out when interviewing a Rabbi and showed of their programming skills by giving a human robot an algorithm to follow. They impressed their audience by singing a version of London's burning in rounds, with some children playing the melody on the glockenspiel. Parents loved seeing the fantastic art work they have done with Miss Candy.
It has been a busy term in Year 2 and we cannot believe there's only 1 term left until we are in KS2!

Football at CBS

CBS vs. Waterside

On Tuesday, our girls football team played a match against Waterside Primary School.
During the first half of the match, we had a few corners and Isabel managed to score. Waterside had a good defence so we struggled to score again.
In the second half we scored again, this time it was thanks to Anika. After that we had lots of shots but not on target. In the end, the score was 2—0 to us.

Player of the Match: Anika, y6

Rugby at CBS

CBS vs. Ley Hill School

On Thursday, our rugby team played a home match against Ley Hill. During the first half, the game was tense with lots of back and forth between the two teams. By half time, Ley Hill got the better of us and were two points ahead at 16—14.
After a 'Mr Byrne pep talk', we managed to score more than our opponents in the second half and took the win by one point. The final score was 27—26 to Team CBS!

Parent Governor Election

A reminder that there were three nominations for the one parent governor vacancy on the School's Local Governing Board. This means that it is necessary to have a ballot. Governors play an extremely important role in the strategic leadership of the school and your vote is important.
We will conduct the ballot using a Microsoft form here Chesham Bois CE School - Parent Governor Election - March 2026 – Fill in form but a paper vote is acceptable if you would prefer to use that below.
All parents and legal guardians are entitled to vote and may cast one vote each. You may not cast more than one vote for any candidate, and parents with more than one child on the roll are not entitled to more votes.
It is important that voting is completed by the closing date of Friday 27th March at 12pm.
The result of the election will be notified to all parents before the end of term.

Loving God,

As we reflect on the events across our country this week, we bring our hopes and concerns before you.

We pray for all those affected by recent challenges in the UK. Bring comfort to anyone who is unwell, strength to those who care for others, and wisdom to leaders making decisions that shape our shared life.

As Eid al Fitr is celebrated across the world and within our own community, we give thanks for the joy, generosity, and togetherness this festival brings. May the spirit of gratitude and compassion at the heart of Eid inspire us all to look after one another.

Help us, as a school, to be people of kindness, patience, and peace. Guide us to learn well, support each other, and build a community where everyone feels valued and safe.

Amen

A very Happy Birthday to those who celebrate their birthday this week:

Zach D, Jude W, Jamie P, Lily T

Happy Birthday from all at CBS!
