CHESHAM BOIS CE SCHOOL NEWSLETTER

13.3.2026

Wishing all the wonderful mums in our school community a very happy Mother's Day. A mother's love truly knows no limits — it nurtures, guides, shapes, and moulds a child in ways that last a lifetime. Thank you for all the strength, care and encouragement you give each day. We hope you feel celebrated and appreciated.

Stars of the Week!

Congratulations to the following children for achieving a Star of the Week certificate in Celebration assembly today.
We are very proud of you!

Year R— Class R

Year 1– Joshua and Frankie

Year 2– Angus and Harry

Year 3– Imogen and Elias

Year 4– Benjamin and Sienna

Year 5– Jessica and Isha

Year 6– Freddie and David

Golden Rule

The following children have observed our Golden Rule this week—**Do unto others as you would have others do unto you.**

Matthew 7:12

Year 1– Sandy

Year 2– Amelie

Year 3– Albie

Year 4– Sarim

Year 5— Anaya

Well done to Lucy Clare, Y1, Rufus, Y1 and Benjamin, for being Players of The Day at FTF football this week.

Congratulations to Levi for being Player of The Day at Multi sports this week.

Year 3 Class Assembly

Year 3 enjoyed sharing their learning with their parents and the rest of the school on Tuesday. We were able to take you on a global adventure and share the learning we have been doing in Geography about global trade. We have learnt lots about where countries are in the world and where our food comes from, and how it gets from the field or tree to the shop and then onto our plates.

Everyone was thrilled to show off their recorder skills and we finished with a hearty rendition of Hot Cross Buns as we now head towards Easter.

Cross Country at CBS

We had a fantastic turnout for the last Cross Country race of the season on Saturday, the most runners we'd had all season in fact. We were very proud of how everyone ran, no matter what position they finished in, they were all brilliant; it was particularly pleasing to have a number of new runners taking part.

Well done to all of our Medal winners, Jacob (Y3), Benjamin (Y4), Mila (Y4), Sienna (Y4) and Klara (Y5). What was fantastic this time was that we won four team medals; team medals are given to the top three schools who had the highest finishing three runners in each race. Previously the most of these we have won at one event was two, and that's only happened once, so winning four is amazing!

Congratulations to the following teams that won a medal:

Y3 Boys- Third place
Y3 Girls- Third place
Y4 Boys- Third place
Y4 Girls- Second place

Cross country training will continue on a Tuesday lunch time until the field needs to be used for the whole school lunch break; this normally happens in May.

Thank you for all of your support at the races, it is much appreciated.

Mrs Newton and Mr Byrne

New Mozart Orchestra

On Wednesday, Reception and KS1 were very lucky to be visited by the New Mozart Orchestra. We were told a story about a bear called Victoria (who loves marmalade sandwiches, just like Paddington!) who went on a walk around London and saw and heard some brilliant music. We learnt that the bigger the instrument, the lower the sound is and we learnt all about the instruments which make up the different sections in an orchestra. Some of us had a go at playing a string, woodwind and brass instrument. We all joined in singing 'London Bridge is Falling Down' while the orchestra played.

On Thursday, some Year 1 and 2 children were chosen to participate in a violin workshop. Each child had their own violin and learnt how to hold it correctly, how to pluck the strings and we played and sung 'London Bridge is Falling Down' on the instruments! Lots of us said we were keen to start learning a musical instrument. Thank you to the New Mozart Orchestra and the Bucks Music Trust for this incredible opportunity.

Prayer Day at CBS

Year 2 loved our prayer day activities which were about windows, mirrors and doors. Our window activity was all about looking at God's creation, so we looked out of the window in the hall to the playground and tried to notice all the different colours in the world around us. Then we painted colourful, vibrant pictures. For our mirror activity, we looked in the mirror and thought about what we appreciate about ourselves, then in bigger groups we told each other about what we like about one another and finally we reflected on whether it was easier to be grateful for others or ourselves. We found it easier to say what we like about others so some of us have been trying harder to appreciate ourselves. Our doors activity helped us to think about and respond to others. We considered how we try to be a kind person and hold the door open for others and we wrote a gratitude leaf for a whole school tree which is now full of things that children in our school are grateful for. We would like to say a big thank you to all the adult helpers for a really fun and peaceful morning thinking about our world and God.

Year 6 participated in Prayer Day based around 'Windows, Mirrors and Doors'.
The first activity was 'Windows', we had to look through a window and see all the beautiful colours that God made, afterwards we painted view using the colours we had provided and spoke about our favourite natural colours.
The next activity was a door, we asked ourselves what we were grateful for. Then we drew a picture of a leaf and wrote our gratitude's before pinning them on the gratitude tree.
Finally, in the 'Mirror' activity we looked carefully at ourselves in a small mirror. We thought hard about what we were grateful for, then looked around the circle and shared our gratitude.
We really enjoyed the session and it has helped us reflect on ourselves and the world around us.
Thank you to the 'Open the Bible' team who worked with us and organised all our fun activities.
Reflection by Hanah and Lauren (Y6)

Girls Football at CBS

CBS vs. Chartridge

On Thursday, our girls football team played in a home match against Chartridge. It was another tough match; they were a very good team.
In the first half, we had possession of the ball for most of the time, we even had a penalty but didn't score. Emilia and Isha helped to save goals and Lila was also amazing. Klara scored a great goal but by half time the score was 2-1 to Chartridge.
In the second half, Chartridge scored another 3 goals. The final score was 5-1 to Chartridge who were definitely the better team and deserved the win!

Manchester Marathon—Mr Byrne and Mr Heath

On April 19th Mr Heath and I will be running (or possibly hobbling in my case) the Manchester Marathon. This is the first marathon either of us has ever undertaken, and whilst it is very daunting, it is also very exciting.
We are both running for a fantastic charity called Adoption Focus. This charity means a lot to me as it has gifted me with two wonderful nieces; my brother and his wife adopted two beautiful girls three years ago, and they could not have done it without the support of this fantastic charity. Mr Heath has very kindly agreed to join me in running for this wonderful cause, and we know that it is an area which means a lot to some of our CBS family.
To help raise awareness and funds for the charity, we will be holding a charity day on Friday 17th April. We will have fun events in the morning for all the children to take part in, followed by the annual Teachers Vs Pupils netball match in the afternoon. The netball match this year is called 'Teachers Vs Minions', with the teachers wearing blue and the children wearing yellow. I will get all the details out nearer the time, but we just wanted to let you know why we won't be having any activities on Red Nose day this year; children can however come to school on Red Nose Day (Friday 20th March) wearing mufti, but we won't be collecting any money.
If you are in a position to do so, both Mr Heath and I would be deeply grateful if you would consider sponsoring our endeavours, below you will see a QR code that will take you to our donation page if you so wish.

Thank you for your support,

Mr Byrne and Mr Heath

Dear God

We are hoping that NASA is more successful this time around with the launch of the Artemus 2 mission around the moon. Please help us to explore outer space with new technologies and help us learn more about our universe.

We are thankful for our wonderful wildlife, like the hedgehog and squirrel. Help us care for our environment and look after all of God's creatures. We are looking forward to celebrating our British wildlife on our new British pound notes.

We pray for people who have overcome illnesses and shown resilience and perseverance every day to achieve amazing goals in their life. We are sending lots of good wishes and support to our Paralympians in the Winter Olympics and wish them lots of success in their events.

We want to say a big thank you to all our mothers, you always do so much for us and the whole family. We hope you have a relaxing day on Sunday and have a lovely time with your family.

Amen

Year 5

A very Happy Birthday to those who celebrate their birthday this week:

Amelie C

Happy Birthday from all at CBS!
