Hazard Alley—Year 6

On Friday, Y6 went on a school trip to Hazard Alley. Hazard Alley is a safety centre where you learn about hazards and how to stay safe in real-life situations. On the journey there we had fun and played games on the coach - even though it was late picking us up!

When we reached the safety centre in Milton Keynes, we took part in a range of exciting and educational safety activities. My favourite activity was when we watched a video about Cyber bullying in a cinema room, and also when we called 999 because a man was unconscious. Another favourite activity was when we evacuated a building because of smoke. A memorable activity was when we sat in a restaurant and used a remote to answer questions and learnt about choices and consequences including knife crime.

The safety centre was very realistic and fun. There was even a dark alleyway where we discussed what we should and shouldn't do to keep us safe. After our activities, we really enjoyed eating lunch and watching Shaun the Sheep.

Overall, this educational trip benefitted us in many ways such as road safety, fire safety, water safety, railway safety, safety in the home, making the right choices, consequences and cyber bullying.

We had a lot of fun and we learnt many important lessons. Thank you to Mrs Jenkins and our teachers for organising the trip and to our parents for enabling us to attend.

Theo and Daniel - Year 6

Class Assembly—Year 1

On a rainy Tuesday morning, Year 1 brightened everyone's day with their class assembly all about traditional toys. We enjoyed watching them perform poems, sing a song and share with everyone their favourite toy.

Well done Year 1, what a brilliant performance!

Amersham Museum—Year 1

On Wednesday, Year 1 enjoyed a trip to Amersham Museum, where they got to play with a large collection of traditional toys, including spinning tops, hugmee bears and dolls house - just to name a few!

In the afternoon, Year 1 got to create their own toys including a peg doll and ball and cup! They had a lovely day, and the weather was kind, so they even got to play with toys in the garden including skipping ropes and dominoes. It really brought their traditional toys topic to life!

This week's window, mirror and door moment…

During assembly and collective worship this week, we have been reflecting on our value of Integrity through the word truthfulness.

Window moment: We explored an image of a field with sheep, fish in a flowing river and mysterious treasure buried in the ground. Then we listened to a story called 'Philip's Treasure' and discussed how people used to bury things that were precious to them before the days of banks.

Mirror moment: We thought about how Jesus shared this story because knowing the truth can be like treasure. Knowing that we can be part of God's family is the most precious truth we can know. Belonging to something greater than ourselves is special; just like treasure.

Dear God,

We thank you for all the amazing things happening in our world.
We pray for Jude Owens, the young snooker prodigy.
Thank you for his wonderful talent and the joy he brings to others.
Help us to remember that everyone has special gifts, and give us the courage to try new things, just like he did.
We pray for the Indo-Pacific leopard sharks being released back into the wild in Thailand.
Thank you to the people working hard to protect animals and care for our planet.
Please help the sharks—Maiton, Hope, Spot and Toty—grow strong and stay safe in their ocean home.
Remind us to look after nature wherever we can.
We pray for all children and families affected by unsafe fake toys.
Thank you for the people who are working to keep children safe.
Help us make good choices, keep each other protected, and look out for dangers in the world.
As we think about these stories, help us to be kind, brave, and responsible.
Guide us to make a positive difference in our school and beyond.

Amen.
