CHESHAM BOIS CE SCHOOL NEWSLETTER

23.1.2026

Thank you Friends of Chesham Bois CE School

A big thank you to FoCBS who funded new decodable books for our EYFS & Year 1 children, learning phases 2, 3 and 4 in phonics. We are delighted to have been able to add to our collection and ask that these books are taken really good care of, so more children can enjoy them through the years.

Miss Walker, Reading Lead

Well done!

.

Unfortunately, no pen licences were awarded this week— watch this space to see who earns one next.

We wonder who will be next...

House Points

There will be a rollover of dojos this week as Year 6 were out of school on a trip.

Watch this space to see who will be next to tie their ribbons on the House Cup.

Freya, Y3, took part in her club judo competition last weekend where she won a silver and bronze medal. Freya was also awarded a shield for "U12 Player of The Year" at the clubs annual award ceremony.

SPECIAL MENTION

Congratulations, Wills, Y5, for being Player of The Day at multi sports.

Well done, Adam, Y4, for being Athlete of The Week at Kudos!

Well done, Edward, Y3, for achieving a medal whilst skiing. You have learnt lots of new skills!

Congratulations, Vladi, Y2, for passing Stage 4 in Swimming.

This week's window, mirror and door moment…

During assembly and collective worship this week, we have been reflecting on our value of Integrity through the word truthfulness

Window moment: We watched two short role play scenes between two friends. The friends could make either the right choice or wrong choice.

Mirror moment: The children were invited to explain whether the friends had made the right or wrong choice and the advice they would have offered a friend in this situation.

Door moment: The children were invited to consider whether they want to be someone others trust to be truthful regardless of the situation or someone who, when they are tempted, just gives in and tells lies when it's more convenient.

"Tell the truth to each other." Zechariah 8:16

Dear Lord,

Thank you for the people who help us with technology on Earth and in Space. Help people to understand how our galaxy works, improving technology allowing us to gain a better picture of life in Space. We hope that the micro-chips return safely.
Please help political leaders to make the right decisions but also encourage people to stand up for their beliefs, doing the right thing.
Please help those countries still in conflict, we pray for their safety and that any suffering ends soon.
We think about our oceans and the planet we live on. Please help us all be more aware of our actions and the consequences that these may have. We pray for the sharks and big fish who are having dental issues due to the pollution in the water. We all have a duty to care for animals around us.
We are intrigued about the current research on what is below the ice in Antarctica. Please help us make the right decisions in relation to global warming and hopefully reduce the impacts of climate change.

Amen Year 5

A very Happy Birthday to those who celebrate their birthday this week:

Luna C, Phoebe L, Zakariyah C, Teddy P, Yasmin G, Dylan T, Frank P

Happy Birthday from all at CBS!
