Harry Potter World—Year 5

On Tuesday, Year 5 went to Harry Potter Studio and took part in a fantastic creative writing workshop creating curious creatures. We then had an opportunity to explore the studio and have a go on the green screen broomstick experience. We were really blown away looking at all the props and costumes used throughout the filming of Harry Potter. We really enjoyed the Forbidden Forest; the really big spiders made us jump! The interactive dragon at Gringotts Bank was amazing and felt real. We enjoyed all aspects of the trip, from the Shrinking Mandrakes, boarding the Hogwarts Express, bowing at Buckbeak and so much more. Best trip ever!

A Gentle Reminder About Toys at School

We would like to remind all children and parents that toys should not be brought into school, unless requested by their child's class teacher. We have noticed that when children bring toys from home, they can become very distressed if these items are lost, damaged, or broken during the school day. This includes Labubu figures, which we've seen some children attaching to their school bags in multiples. Unfortunately, these have recently led to some friendship issues among our pupils. We understand that children are attached to their belongings, but keeping toys at home helps us maintain a calm, focused learning environment and prevents unnecessary upset.

Thank you in advance for your support with this matter.

Heavenly Father,

This week we have been discussing news in our local area and watching Newsround to reflect on the news worldwide.
Please help people who are hurting because of the big conflicts happening in other countries, like the fighting and tensions involving Iran and the worry about war there. Please also help everyone affected by what's happening with the United States – where there are threats, fighting and lots of people are afraid. Help leaders to make peaceful choices and not hurt people, and help children to stay calm and kind even when they hear upsetting news.
In UK news, we were happy to hear about Poppy who raised £6500 for her Grandad's Dementia Charity and was given an award by her favourite Gladiator – Diamond. We pray that all the houses in the Southeast without water, are soon able to have running water again. We hope that the new Mountain Gorilla that is born this week lives a healthy and long life.
We hope that the countries taking part in the African Cup enjoy the tournament. Please comfort those who are scared and bring hope and peace to the world.

Amen.

Year 6

A very Happy Birthday to those who celebrate their birthday this week:

Francesca BS, Bonnie MB, Sarim R, Adora H, Grace P

Happy Birthday from all at CBS!
