Second Weekend of Advent

The Second Sunday of Advent falls on Sunday 7th December . The second Sunday of Advent continues the journey of preparation for the celebration of Christ's birth at Christmas. This Sunday emphasises peace and love. The lighting of the second candle, often known as The Bethlehem candle, represents God's love for humanity and the peace that Christ brings.

Wriggly Nativity—Reception Class

Thank you to all who came and watched Year R in their nativity.

They have made us all very proud!

They sang beautifully, remembered their lines and showed bravery to perform in front of so many people. It's hard to believe they've only been at school a term.

Thank you for all the wonderful costumes; they really did bring the whole show together.

From a very proud Miss Candy, Mrs Groves and Mrs Wynn

Netball at CBS

CBS vs. Our Lady's

On Monday, our netball team played a match against Our Lady's School. It was definitely our hardest game of the season so far.

The other team had a really tall goal shooter who was a strong defender too. Our team had to work extra hard during the first quarter. Soon, however the goals kept coming for Team CBS. The final score was 13—4!

It feels great to still be undefeated this season but we know we can't take anything for granted. Well done to the other team for playing such a good game - they really pushed us to do our best.

Bring on the next few matches … we hope to make it to the finals next week.

Player of The Match: William

Radio Christmas

We are delighted to announce that our Year 5 pupils will be broadcasting live on Radio Christmas next Monday! The children have been working hard to prepare an entertaining show, and this is a wonderful opportunity for them to showcase their creativity and Christmas spirit.

We would love for our school community to tune in and support our young broadcasters. Whether you are at home, in the car, or at work, please listen in and enjoy what promises to be a fun-filled programme. The children would be thrilled to hear from you, so do consider calling in or sending them a message of encouragement during the broadcast.

Let's show our Year 5 stars just how proud we are of them!

Dear God,

In the news this week, we learnt that Australia have created a new law to ban social media for children under the age of 16. This is to help young people stay safe online, we pray that England makes the same efforts to keep our young people safe online. We were pleased to hear about the release of Molly the Turtle in Florida this week after being rescued earlier this year. Please Lord help us to keep the oceans clean so that the wildlife there thrives. We were cheered up by seeing some furry, festive and fashionable doggy friends walking to Buckingham Palace in London this week and we hope this brought joy and cheer to others as well. Thank you for the scientists who are working hard to count the biggest colony of penguins in Antarctica, and it was brilliant to see some of our world's wildlife doing so well. We hope everyone is getting in the Christmas spirit and enjoying decorating their homes now, just like the people we saw decorate the Whitehouse this week.

Finally, we would like to thank you, the reception teachers and the YR children for their fantastic Wriggly Nativity! We loved watching it and hope they enjoyed performing.

We wish our school community a happy and safe weekend.

Amen

Year 2
