Football at CBS

CBS vs. Chartridge

On Thursday, we played a home match against Chartridge School. We had a tough start when we conceded a goal by Chartridge. By half time, the score was still 1-0 to Chartridge.
We played better during the second half. Mr Byrne's pep talk, during the half time break, motivated us a lot. Charlie, Year 5, helped save the match and scored 2 goals in the second half. The final score was 2-1 to CBS!
This was a tough game but we persevered through it.

Player of the match: Caleb, Year 5

Anger Management in Children - NSPCC

Every year many thousands of children are referred to Childline for anger issues. Anger management in children is one of the top mental health concerns in childcare. Anger and the ability to control it are key skills of adulthood. Violent thoughts frequently bubble underneath human interactions. Anger is the quickest way for those thoughts to become reality. For this reason it is tightly regulated in our society. Children must learn to overcome anger so that they do not fall a foul of strict controls on violent conduct. However, this is difficult for children to learn to manage since anger is remarkably powerful. Yet as parents and teachers there is no choice but to teach them to reign these emotions in. This can be hard knowledge to impart, but the NSPCC has produced helpful resources to aid you in that vital mission.

Dear God,

Thank you for the sunshine and the rain, for the seeds that grow into food again.

Thank you for apples, pumpkins and wheat, for all the yummy things we get to eat.

Please bless the farmers working hard each day, planting and picking in every way.

Help us to share with those in need and never waste a single seed.

Give them money that they deserve, ensuring they have food to serve.

We're thankful for the fruit, healthy from the root.

A balanced diet is nutritious, but equally delicious.

We're grateful for this harvest time, for nature's gifts so big and fine.

Amen

Year 5
