Year 5 Sports Leaders

Well done, Year 5, for all your fantastic applications to be Sports Leaders; it was so hard for me to choose just six children. The letters I received were very well written, with lots of persuasive language, and lots of humour (which always goes down well with me!).

I am however very pleased to announce that the successful applicants are Ambi, Lila, Jessica, Rufus, Chenaal and Alexander. I have every confidence that they will be fantastic Sports Leaders, well done to you all!

Mr Byrne

Football at CBS

Yesterday, CBS played an away match against Waterside School. As we started the game, James quickly scored from outside the box. This motivated us to score our next goal, which was also from James, from a corner kick. In the dying moments of the match, Gavin scored and helped us win the match with a final score of 3-0 to CBS. Dylan, our goalie, kept a clean sheet with no goals scored by our opponents.

Man of the match: James, Y5

Smartphone-Free Childhood: Parent Information Session

We're delighted to invite you to an informative evening in partnership with the Smartphone Free Childhood (SFC) Movement. A community leader will share powerful insights and practical resources on why delaying smartphones can protect children's well-being, development, and online safety.
We feel this is an important conversation for all Chesham Bois parents to be part of and together, we can give our children the freedom to grow without the pressures of smartphones and social media. On the night, you'll also have the chance to join your year group's Parent Pact—a collective commitment that strengthens when more families take part.
Please join us to hear more and stand together for our children's childhoods.'

Dear God,

We give thanks for the scientists who help us explore space. As they discover new things about Mars and its moon Deimos, may we be filled with wonder and curiosity about Your universe.
We celebrate the good news from the wildlife park, where rare frogs have been cared for and protected. Help us to look after all creatures, big and small, and to care for the environment You have made.
We also thank You for the wonderful animals living in wild places like Alaska. As people enjoy *Fat Bear Week*, celebrating the bears in Katmai National Park, may it remind us of the beauty of wildlife and the importance of protecting nature so future generations can enjoy it too.
And during Deaf Awareness Week, we pray for greater understanding and kindness. Help us to listen with our hearts, to include others, and to celebrate the different ways people communicate.

Amen.

Year 4
