Football at CBS

CBS vs. Hawridge & Cholesbury

On Thursday, we played a home match against Hawridge and Cholesbury. We got off to a brilliant start by getting 3 goals within the first 3 minutes. These were quickly followed by another 3 goals before half time.
In the second half of the match, Mr Byrne helped to make sure the teams were more evenly matched, however we still managed to score another 2 goals early on. Before the fulltime whistle blew, we scored another 2 goals.
The final score was 10—0 to CBS!

County Football Trials

Well done to Caleb (Y5), Charlie (Y5), Gavin (Y6) and Dylan (Y6) who all attended the Bucks Schools Football County Trials on Saturday. The competition was extremely tough, but all of the children did very well. Both Charlie and Gavin were invited back to attend a further trial on Wednesday, and I am extremely proud to announce that Charlie will be representing Buckinghamshire (but more importantly CBS) this coming season. This is a fantastic achievement for Charlie and our School.

Whilst I am very proud of Charlie's achievement, I am also very proud of the other CBS children who attended the trial and represented CBS so admirably. We are blessed at CBS to have so many talented sports children, I think our own football team would give the county squad a good game!

Dear God,

Thank you for a great start back to school this year – we have enjoyed seeing all of our friends and teachers after the summer holidays. Help us to show respect and resilience in our new classes and to always do our best.

We pray for all the leaders in the world. We especially pray for the meetings happening as President Trump comes to the UK. We ask that you help them to make good decisions as lots of what they decide affects you and me.

Thank you for giving us earth – the planet we call home. Thank you for all the lovely signs of Autumn – the colours of the leaves, the conkers and acorns and the mud. Help us to take care of earth so that everyone and all the plants and animals can grow. Please give people working to protect our planet new ideas as they help animals such as sharks, gorillas and fish.

We pray for our friends that are poorly and ask that you help them get better quickly.

Amen

Year 3
